

E-POSTERS PRESENTATIONS

CATARACT

J. Mohad, *Morocco*

Adult traumatic cataract: about 95 cases

O. Beltaief, *Tunisia*

Artisan aphakic intraocular lens implantation in Marfan syndrome

C. Reiter, *Germany*

Iridescent, multicoloured posterior capsular lens opacities (christbaumschmuck-cataract) require a molecular genetic exclusion of myotonic dystrophy

L. Ghizlane, B. Allali, D. Lahbil, A. Elkettani, K. Zaghloul, *Morocco*

Management of anterior segment penetrating injuries with traumatic cataract in paediatric age group

N. Toshniwal, *India*

No-hydro a new approach in phaco surgery

M. Bamashmus, *Yemen*

Prophylactic measures used for the prevention of postoperative endophthalmitis after cataract surgery: a survey or routine practice in Yemen

M. Zaki, *Morocco*

Surgical treatment of ectopia lenses in children and young adults with marfan's disease

P. Bhasin, *India*

Combined phacoemulsification and transpupillary silicon oil removal through the corneal incision

K. Hashem, *Egypt*

Comparison between linear and panel aspiration rate in torsional phaco

A. Assaf, *Egypt*

Surgical induced astigmatism after trans conjunctival scleral incision for foldable IOL implantation after bi-axial MICS

N. Toshniwal, *India*

Akahoshi prechopper's modified use in stop and

chop technique

CORNEA

S. Scholtz, *Germany*

Alhazen - how madness saved the beginning of experimental physics

S. Jastaneiah, *KSA*

Changing Trends in the Microbiological Profile, Clinical Course, and Prognosis of Bacterial Keratitis at King Khaled Eye Specialist Hospital

A. Al-Torbaq, *KSA*

Deep Anterior Lamellar Keratoplasty for Pellucid Marginal Corneal Degeneration

A. Al-Torbaq, *KSA*

Escalation of glaucoma therapy after penetrating keratoplasty

M. Ghassemi-Broumand, *Iran*

Late ophthalmic, respiratory, cutaneous and psychiatric complications of chemical warfare exposure in 476 warfare patients in city of Marivan-Iran

J. Kasireddy, *India*

PMMA keratoprosthesis with titanium skirt for a case of repeated corneal graft failure

J. Mohad, *Morocco*

Spontaneous perforations of the eye ball- according to 30 cases

M. Siddig, *Sudan*

Drfur 2007

H. Mahmood, *Bahrain*

Visual outcomes of keratoconus and post LASIK Ectatic eye treated with riboflavin and ultra-violet collagen cross linking

L. Torquetti, *Brazil*

Long term follow-up of Ferrara ring in keratoconus

A. Shojaei, *Iran*

Post-Lasik-corneal ectasia

S. Hamada, *UK*
Cataract surgery in patients with ocular surface disease

S. Hamada, *UK*
Deep Anterior Lamellar keratoplasty for non-visual indications

A. Abolhasani, *Iran*
Efficacy and significant complication of LASIK in patients with cornea thinner than 500 micron

W. AlTuwairqi, *KSA*
Incidence, treatment and outcomes of non-infectious keratitis as a postoperative complication of laser-assisted in-situ keratomileusis (LASIK)

GENERAL AND DIAGNOSTIC OPHTHALMOLOGY

S. Bouzza, *Morocco*
Bilateral retinal detachment in preeclampsia. one case report

M. Ghassemi-Broumand, *Iran*
Determination of visual status of Iranian veterans 17-25 years after injury

A. Al-Torbaq, *KSA*
Effective treatment of ligneous conjunctivitis with topical plasminogen concentrates

M. Ghassemi-Broumand, *Iran*
Evaluation of the frequency of complications of working with computers in a group of young adult computer users

G. Belalami, *Morocco*
Events eye sickle cell disease: prospective study from January to June 2007

H. Kugelgen, S. Scholtz, *Germany*
From reading stones to multifocal IOLs – on the invention of bifocal glasses

H. Khazaei, *India*
Intraocular co-infection due to tuberculosis and fungus and confirmation of diagnosis by nested PCR

W. Algorafi, *Yemen*
IOAW Journal of Ophthalmology - 2nd issue 2007

D. Aghadoost, *Iran*
Ocular pseudoexfoliation syndrome and internal systemic diseases

S. Jihad, *Morocco*
Oculo-orbital lymphoma. About 8 cases

A. Fadil, *Morocco*
Orbital and parotid associated hemangiomas

W. Turki, *Tunisia*
Posterior microphthalmos: OCT contribution

M. Schargus, *Germany*
Visual field progression in patients with drusen of the optic

A. Adenwala, *UAE*
Bilateral acute glaucoma with high myopia in patient using oral topiramate- a case report

T. Chauhan, *India*
interfamilial phenotypic variability in ocular manifestations of Noonans syndrome

R. AITurki, *KSA*
Posterior nanophthalmos with uveal effusion managed by lamellar sclerotomies

F. Kabir, *Iran*
Study of the lens anterior – posterior diameter as compared with the eye globe in rabbit

S. Sabour, , M. K. Ikram, A. Hofman, P. T.V.M. de Jong, *Netherlands*
Changes in Refractive Error and Astigmatism in the General Elderly
Population: The Rotterdam Study

GLAUCOMA

A. Harby, *Egypt*
Comparison between 1ry tube implantation and MMC trabeculectomy in cases if congenital glaucoma

W. Shihadeh, *Jordan*

Efficacy and safety of utilizing a biodegradable collagen matrix implant in trabeculectomy

M. Mustafa, *Ireland*

European comparison of patient recall of glaucoma medication in outpatient clinics

W. Turki, *Tunisia*

Glaucoma in Sturge-Weber-Krabbe Syndrome (SWS)

J. Mohad, *Morocco*

Subconjunctival application of 5 FU following surgical treatment of glaucoma with deep slérectomy

G. Belalami, *Morocco*

The irido-Corneo-endothelial syndrome

A. Chakib, *Morocco*

Viscocanalostomy: clinical outcomes at a medium-term prospective study on 107 eyes.

L. A. Al-Aswad, J.G. Peter, Jr. Maris, C. James, Tsai, N. Khatib, BA, R. Bansal, *USA*

Outcomes of the Ahmed glaucoma valve placed in anterior versus posterior chambers

T. Eid, *KSA*

Prevalence of glaucoma types and legal blindness from glaucoma in the western region of Saudi Arabia: a hospital-based study

A. Reda, *Oman*

A new score for determination of target IOP in glaucoma

Z. EISanabary, *Egypt*

Role of ganglion cell complex measurements in the diagnosis of glaucoma

L. Al-Aswad, L. Leung, J.G.Peter, Jr.Maris, T. Flynn, J. Tsai, *USA*

The effect of immunosuppressive therapy on the hypertensive phase in glaucoma drainage implants

O. Ali, *KSA*

The role of transcleral diode laser cyclophotocoagulation in advanced glaucoma

OCULAR ANESTHESIA

A. Taguri, *KSA*

Phacoemulsification surgery under topical anesthesia in Saudi patients

OCULAR PATHOLOGY

E. Karima, *Morocco*

Acute retinal necrosis: a case report

M. Hanane, *Morocco*

Nasopharyngeal carcinoma revealed by visual impairment: about 2 cases

I. Benatiya, *Morocco*

Observance and perception about the use of eyedrops among Muslim patients during the month of Ramadan

E. Karima, *Morocco*

Papillar atrophy revealing rheumatoid arthritis: a case report

S. Bhallil, *Morocco*

Survey of 63 patients with orbital tumors

S. Bhallil, *Morocco*

Uveal Melanoma: four cases, four presentation patterns

OCULOPLASTICS

A. Bukhari, *KSA*

Acquired punctal stenosis: Is it really a problem

N. Ouarrach, *Morocco*

Cicatricial ectropions: Results of 69 cases

H. Bada, *Morocco*

Conjunctival naevi, about 20 cases

W. Regragui, *Morocco*

Conjunctival Tumors

A. Razzak, *Morocco*

Experience of our service in blepharoplasty

J. Behbehani, *Kuwait*

Herpes Zoster Orbital Myositis in a healthy younger patient – a case report

A. Chaikhy, *Morocco*

Myopathic ptosis and external ophthalmoplegia in mitochondrial myopathie : about 2 cases

N. Ouarrach, *Morocco*

Pathological study of orbital tumors

M. El Belhadji, *Morocco*

Pediatric orbital tumors

A. Albuloushi, *Kuwait*

Porptosis secondary to nasal polyposis

A. Albuloushi, *Kuwait*

Sphenoid sinus mucocele - case report and literature review

I. Benatiya, *Morocco*

Tolerance of porous polyethylene orbital implants among children

M. El Belhadji, *Morocco*

Tumoral pathology of the eyelid

M. W. Abdel-Rahman, *Qatar*

Silicone punctal plugs for the management of severe dry eye disease

A. Sabry, *KSA*

Comparative study between monocanalicular minimonoka upper system intubation and bicanalicular total system intubation in cases of severe punctal stenosis

A. Ben Said, *Tunisia*

Transplantation of autologous adipose tissue for anophthalmic and enophthalmic socket

E. El-Toukhy, *Egypt*

Assessment of lifting effect, lid contour, and lid crease after closed approach versus the open approach in frontalis sling operation

**PEDIATRIC OPHTHALMOLOGY &
STRABISMUS**

N. Sabra, *Egypt*

Assessment and management of low vision in visually impaired children

B. Allali, *Morocco*

Children ectopia lentis – About 30 cases

M. Mrugacz, *Poland*

Impression cytology of the conjunctival epithelial cells in patients with cystic fibrosis

Z. Lazrak, *Morocco*

Ocular manifestations of the punctate epiphysis disease : about one case and literature review

L. Ghizlane, Z. Lazrak, I. Souldi, D. Lahbil, A. Elkettani, K. Zaghloul, *Morocco*

Ophthalmic manifestations of acute leukemia in children

N. Naim, *Morocco*

orbital cellulitis in children

M. Hanane, *Morocco*

Profuse molluscum contagiosum: About 2 cases report

R. Al-Senawi, *Oman*

Third nerve palsy and central nervous system relapse in a leukemia patient

R. Al-Senawi, *Oman*

Visual loss at presentation in pseudotumor cerebri

Z. Lazrak, *Morocco*

Visual outcome in craniosynostosis

M. Salah, *KSA*

Lash ptosis as a complication of patching in management of amblyopia

N. Sargent, *Palestine*

Bilateral spontaneous rupture of the anterior lens capsule in Alport's Syndrome (Familial Haemorrhagic Nephritis); a case report

B. Hassanien, *KSA*

Purtscher- like retinopathy after squint surgery under local anesthesia

PREVENTION OF BLINDNESS

E. Safar, *Egypt*

Corneal Microsporidiosis

C. P. Ruiz, *Cuba*

Results of the ophthalmologic screening carried out in the Chinese cities of XINING and HEBI

O. Onakpoya, *Nigeria*

Additional morbidity faced by glaucoma blind students in blindness rehabilitation school

T. Afghani, *Pakistan*

Compliance of spectacle wear in school children with refractive error

F. AlEmrani, *Yemen*

Pattern of Eye Diseases and Causes of Visual Impairment in Thamar Governorate Republic Yemen

F. El-Refaei, *Egypt*

Hazardous Effects of Electromagnetic Pollution on the Eye

N. Khan, *Pakistan*

Health research – an advocacy imperative for health systems strengthening

A. Ailem, *Algeria*

Human resource development and fight against blindness in Algeria"

R. Karkhaneh, *Iran*

Incidence and risk factors of retinopathy of prematurity in a tertiary eye hospital in Tehran

R. Khandekar, *Oman*

Integration of contact lens practice within prevention of blindness program – Oman model

T. Maynard, *Australia*

Leadership and prevention of blindness

A. Salam, *Afghanistan*

National eye care program in Afghanistan

F. Al-Emrani, *Yemen*

Pattern of eye diseases and causes of visual impairment in Tamar Governorate Republic Yemen

S. Abugreen *UK*
Screening for diabetic retinopathy

A. Ahmadi, *Iran*
To investigate the clinical efficacy and safety of HESA. A treatment of diabetic macular edema

A. Ghaffariyeh, *Iran*
Effect of electrical stimulation (TES) in nonarteritic ischemic optic neuropathy (NAION)

REFRACTIVE SURGERY

A. Helal, *Egypt*
Effect of laser in situ keratomileusis on tear stability

A. Issa, *UAE*
Hyperopic LASIK: challenges and results with Zeiss mel-80 excimer laser platform

A. Issa, *UAE*
Prevention of acute angle closure glaucoma by unilateral surgical iridectomy in bilateral ICL implantation

A. Issa, *UAE*
Wavefront changes after laser in situ keratomileusis (LASIK) using aberration smart ablation profile of Zeiss mel-80 excimer laser

M. Hantera, *KSA*
Anterior segment dimensions in young Saudis with low myopia

RETINA

S. Natarajan, *India*
Autofluorescence patterns in central serous chorioretinopathy (CSCR)

W. Zbiba, *Tunisia*
Bevacizumab (Avastin) intravitreal injection in choroidal neovascularization in angioid streaks

A. Razzak, *Morocco*
Central retinal vein occlusion after stopping systemic

anticoagulation treatment

N. Taresh, *Yemen*

steroid therapy on visual acuity and fundus of Effect*
Koyanagi Harada picture in 3 cases of Vogt
Syndrome in Yemen

S. Elwan, *Egypt*

Frosted branch angiitis: a case report

S. Natarajan, *India*

Fundus autofluorescence in Stargardt's disease

V. R. Anandula, *India*

Genetic profile of prpf31 and impdh1 genes in
autosomal dominant and isolated retinitis
pigmentosa patients

K. Said-Ahmed, *Kuwait*

Incidence and natural course of central serous
chorioretinopathy(CSR) in pregnant women in a
busy maternity hospital in Kuwait.

M. Almohsen, *Bahrain*

intravitreal bevacizumab (avastin) in management of
serpiginous choroiditis associated choroidal
neovascular membrane

I. Ammous *Tunisia*

Lamellar hole complicating macular retinoschisis in
high myopia

P. Rao, *UAE*

Macular hole formation following successful
pneumatic scleral buckle (PSB).

L. Elmaaloum, *Morocco*

management of post traumatic endophtalmitis:
experience of our department and review of the
literature

M. Zaki, *Morocco*

Post traumatic retinal detachment in children

A. Mahfouz, *Egypt*

Preemptive analgesia in rhegmatogenous retinal
detachment surgery: is it effective?

M. Haloui, *Morocco*

subhyaloidal hemorrhage secondary to a valsalva's

maneuver: a case report

A. Abdel-Maksoud, *Egypt*

Vitrectomy and gas tamponade without internal limiting membrane peeling for myopic foveoschisis

P. Rao, *UAE*

Vitrectomy for recalcitrant non-tractional diffuse diabetic macular edema.

A. AlKharashi, *KSA*

Peripapillary CNVM in patient with VKH treated successfully with single injection of Avastin (bevacizumab)

M. Issa, *UK*

Females get retinal telangiectasia too - Coats disease in females.

T. Chauhan, *India*

Higher gestational age no more a exclusion criteria for retinopathy of prematurity

T. Saddik, *Ireland*

hypotony caused by scleral buckle

M. Mohamed, *KSA*

Intravitreal Bevacizumab alone and / or modified grid photocoagulation as primary treatment of diffuse diabetic macular edema

N. Taresh, *Yemen*

Intravitreal triamcinolone injection in treatment of cystoid macular oedema

M. El-Deeb, *Egypt*

Making Internal Limiting Membrane (ILM) Peeling Easier

N. Bhatt, *Bahrain*

Management of displaced intra ocular lens (IOL)

A. El-Khashab, *KSA*

Modified pneumatic retinopexy with encircling band for subtotal rhegmatogenous retinal detachment

F. Chraibi, *Morocco*

Ocular manifestation of pseudoxanthoma

H. Hegazy, *Egypt*

Pneumatic retinopexy a supplemental therapy for persistent retinal detachment after scleral buckling operation

R. AITurki, *KSA*

Primary posterior chamber intraocular lens implantation combined with lensectomy – vitrectomy and intraocular foreign body removal

N. Sanduja, *India*

Relationship between clinical presentation and visual outcome in post- traumatic endophthalmitis

K. Ayesb, *Jordan*

Retinal breaks and refractive surgery

M. Lezrek, *Morocco*

Retinal detachment with advanced proliferative vitreoretinopathy

K. Raafat, *Egypt*

Role of optical coherence tomography and fundus Fluorescein angiography as guidelines for re-treatment of choroidal neovascular membranes following PDT

N. SHM, S. Waheeb, *KSA*

ROP: local experience at King Abdul-Aziz University Hospital, Jeddah

N. Bhatt, *Bahrain*

Siderosis bulbi: unusual presentation

S. Salahim, *Yemen*

Status post silicon oil removal

Y. Serag, *Egypt*

The management of retinal detachment in patients with phakic intraocular lenses

I. Bouassida, *Tunisia*

The use of cyclodiode laser for silconic glaucoma treatment

P. Rao, *UAE*

Title: Efficacy of PASCAL photocoagulator in the treatment of retinal diseases

UVEITIS

A. Taguri, *KSA*

Conjunctival Necrosis following subconjunctival
depo-medrol Injections

H. Bada, *Morocco*

Ocular manifestations of sarcoidosis

S. Bhallil, *Morocco*

The Optical Coherence Tomography features of
Behçet's disease maculopathy

M. Abdelaoui, *Morocco*

Trimethoprim / sulfamethoxazole in the treatment of
toxoplasmic retinochoroiditis
